## Canada DC-29 1925 \$1,000 PMG Extremely Fine 40 EPQ

Only three examples of the 1925 \$1,000 Bearer Note are known in private hands with the finest being this PMG Extremely Fine 40 EPQ example from the Dauer Collection. This fantastic representative serves as the plate note for the 27th Edition of *Canadian Government Paper Money*.

*USA Fr. 151 1869 \$50 Legal Tender  
PMG About Uncirculated 50*

This is a very special 1869 \$50 Legal Tender Note. Not only is it a one year type of the Allison-Spinner signature combination, but it is also a "Rainbow Note," a nickname given because of the colorful ink and security paper. Fewer than 70 examples remain in all grades and this PMG About Uncirculated 50 ranks in the top 5% of the entire remaining population. This note is no stranger to excellence having previously belonged to two important collectors: Robert F. Schermerhorn and Harry W. Bass, Jr.

*USA Fr. 168 1869 \$100 Legal Tender  
PMG Extremely Fine 40 EPQ*

It is very fitting that this note is also pedigreed to the collections of Robert F. Schermerhorn and Harry Bass, Jr., and remains together with Fr. 151 in the Dauer Collection. Difficult to locate in any grade, this beautiful PMG Extremely Fine 40 EPQ is the second-finest known. Like the Fr. 151, this \$100 Legal Tender Note is also from the one-year "Rainbow Note" type.

*USA Fr. 187j 1880 \$1,000 Legal Tender  
PMG Very Fine 25*

An exceptional note, this highly sought-after 1880 \$1,000 Legal Tender Note showcases DeWitt Clinton and Christopher Columbus. There are only 14 known with three impounded in museum collections. Six examples have been graded by PMG including this piece, which is pedigreed to dealers M.H. Loewenstern and Dean Oakes, who sold this note in 1975 and 1985, respectively.

*Bermuda Pick# 12 1941 £5  
PMG Choice Uncirculated 64*

Commonly called a "Brownie," this type was short-lived because the color resembled that of the Five Shilling note. These notes were only issued for a few months in 1942 and many were destroyed later in the year. This serial number "2" is the only Uncirculated example known to exist and was first owned by Dr. David J. Saul, former Premier and Minister of Finance of Bermuda, and later by Peter Coakes, a past director of Bermuda Collectors Society.

*USA Fr. 185a 1874 \$500 Legal Tender PMG Very Fine 30*

This 1874 \$500 Legal Tender Note is an outstanding example of an issue with only five known surviving examples, one of which is located in the Smithsonian Institution. The Dauer specimen is the finest of the examples known. This note also comes with a historic pedigree, hailing from Amon Carter's collection.

*Canada DC-28 1925 \$500  
PMG Choice Very Fine 35*

Another rare "Bearer Note" is the 1925 Canada \$500 with a total population of just eight notes, including one that is located in the Canadian National Collection. The Dauer note is the second finest of the four examples graded by PMG. It is also a plate note in the 27th Edition of *Canadian Government Paper Money* as well as several prior editions.

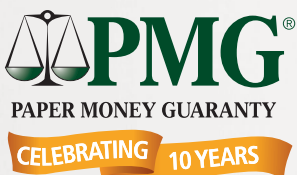

*East Africa Pick# 12 1920 50 Florins  
PMG About Uncirculated 53 Net*

The 1920 East Africa 50 Florins is extraordinarily rare and this is the only example that has been graded by PMG. It was part of the first series of notes issued by the East African Currency Board, which was established in 1919 to distribute and regulate currency in British East Africa.

## *Canada DC-20 1911 \$1,000 PMG Fine 12 Net*

This 1911 \$1,000 "Bearer Note" is graded PMG Fine 12 and is the only example known in private hands. The only other note known is secured by the National Currency Collection in the Bank of Canada Museum. It is not a surprise that the Dauer note serves as the plate note in the 27th Edition of *Canadian Government Paper Money*.
